

# Ready for College?

## Start Smart at JJC!

If it's time to start thinking about college, it's time to think about starting smart at Joliet Junior College. JJC is the smart choice for your first two years of college. At JJC, you can earn an associate's degree and have a seamless transition to a four-year college or university. JJC also is a smart move financially. You can save up to \$40,000 by completing your first two years of college at JJC.

JJC offers a flexible class scheduling, state-of-the art facilities and outstanding faculty. Make the smart move and see why JJC is everything you want in a college experience.
